

MOTION BY SUPERVISOR GLORIA MOLINA

April 5, 2005

AMENDMENT TO ITEM NO. 31

Excessive Extensions

The agreement before the Board of Supervisors has gone through fourteen amendments, which were recommended by the Department of Health Services. I am very concerned that agreements such as the one before us today are repeatedly extended through amendments, creating the appearance that the Department is circumventing either the RFP or Prop A process. It is in the best interest of the County to prepare an RFP in a timely and efficient manner in order to encourage competitiveness and cost effectiveness

I THEREFORE, MOVE, THAT, the Board of Supervisors require that the Department of Health Services include on all future extensions submitted to the Board, a complete history of past extensions, with an explanation of why the extensions were sought.
